Contract Title: Emergency Communications Network for Saint Vincent and the Grenadines
Reference No. SVGRDVRP-NCS-ICB-1A

Saint Vincent and the Grenadines has received financing from the World Bank toward the cost of the Regional Disaster Vulnerability Reduction Project, and intends to apply part of the proceeds toward payments under the contract for an Emergency Communications Network for Saint Vincent and the Grenadines.

The Ministry of Finance, Economic Planning, Sustainable Development and Information Technology now invites sealed bids from eligible bidders for the supply and installation of a modern, state-of-the-art voice/data emergency communications network for use throughout Saint Vincent and the Grenadines. The contract includes central site and network management equipment, a microwave radio back-haul IP radio system, radio over internet protocol connection, erection of three telecommunications towers and a mobile repeater unit. The contract includes delivery, installation, commissioning and training. The total anticipated duration is 12 months and delivery is required within the first 5 months. A 12-month warranty period will follow installation and commissioning.

Bidding will be conducted through the International Competitive Bidding procedures as specified in the World Bank's [*Guidelines: Procurement of Goods, Works and Non-Consulting Services under IBRD Loans and IDA Credits & Grants by World Bank Borrowers, January 2011*](#) ("Procurement Guidelines"), and is open to all eligible bidders as defined in the Procurement Guidelines. In addition, please refer to paragraphs 1.6 and 1.7 setting forth the World Bank's policy on conflict of interest.
