

**Saint Vincent and the Grenadines**  
**Request for Expressions of Interest**  
**Master Plan and Infrastructure Design for the Modern City at Arnos Vale**

The Government of Saint Vincent & the Grenadines (GoSVG), as part of its vision for national development, envisaged from the outset of the Argyle International Airport development, the creation of a modern city on the old airport site. The GoSVG wishes to engage the services of an experienced master planning and urban design consulting firm to inter alia:

- develop in a collaborative and inclusive manner with all stakeholders a Modern City Vision that will help guide the decision-making process;
- develop an exemplary world class master plan and tropical urban design at the project site such that other Small Island Developing States (SIDS) could use as a template;
- complete site specific studies that result in complete engineering tender documents for the development of the land-based infrastructure works that represents the approved master plan and urban design.

The duration of the consultancy is eighty-two (82) weeks, including client review periods. The designs should be completed by August, 2020. The minimum required qualifications and experience are:

- Twenty-five (25) year's experience in master planning and urban design.
- Completion of three similar assignments in the last five years.

The detailed Terms of Reference for the consultancy can be found under the web classified section of [www.gov.vc](http://www.gov.vc) and can be obtained from the address below.

Expressions of interest must be delivered in a written form below (in person, or by mail, or by fax, or by e-mail) by September 20, 2019 to:
