

28.12.2020

PUBLIC SERVICE ANNOUNCEMENT

ALL importers of refrigerant gases and any company or individuals wishing to become importers of refrigerant gases, used in the refrigeration and air conditioning servicing sector are asked to note that according to law, **ALL** importers must be registered as an importer, and obtain an import license. An import license is also required by law for **EACH** import.

Please be informed, the application and registration period for 2021 is now **OPEN** as of 28th December 2020 through to 22nd January 2021.

No application will be considered after 22nd January 2021. Imports from non-registered importers are prohibited. A person who contravenes is liable on summary conviction to a fine of Five Thousand Dollars (\$5000.00), and any goods imported shall be liable to forfeiture in accordance with the regulations and may be seized and detained by the Comptroller, Customs and Excise Department.

Registration is done at the **Sustainable Development Unit's Office**, located on the 2nd Floor of the Administrative (Financial) Complex. Applications **MUST** be completed at the office.

For further information, contact the National Ozone Unit at 1-784-485-6992 or at nousvg@gmail.com.
