**ONE NEW COVID-19 CASE FROM USA**

St. Vincent and the Grenadines recorded one new COVID-19 case today Tuesday October 20, 2020. The adult traveler arrived from the USA on Sunday, October 18, 2020, with a negative SARS-CoV-2 PCR test result. The adult will remain in isolation until cleared by two (2) negative SARS-CoV-2 PCR test results. All of the close contacts have been informed and will continue in quarantine as per their Medical Officer's Orders.

St. Vincent and the Grenadines has now recorded a total of sixty-eight (68) COVID-19 cases, sixty-four (64) of which have recovered. There are now four (4) active COVID-19 cases.

The Health Services Subcommittee of the National Emergency Committee/Coronavirus Taskforce urges continued compliance with all protocols in place designed to protect the Vincentian public.
