FOGGING SCHEDULE FOR 7TH - 12TH OCTOBER 2020

Public Service Announcement - St. Vincent & the Grenadines

The Ministry of Health, Wellness and the Environment wishes to advise the general public that as part of its mosquito control programme for the adult *Aedes aegypti* mosquito, the Insect Vector Control Unit will be conducting fogging operations in **Union Island** and **Mayreau** in the following areas:

	Morning 5 am	Evening 5 pm
	Union Island	
Wednesday, 7 th October 2020	Clifton (Airport, Harbour & Murray)	Clifton (Back Street, Cemetery, Donaldson, Cotton Hill & Central Clifton)
Thursday, 8 th October 2020	Ashton (Garden Field, Barteau)	Ashton (Valley, Central Ashton & Jerome)
Friday, 9 th October 2020	Ashton (Campbell & Big Sand)	
10 th & 12 th October, 2020	Mayreau (5:00 pm)	

Home and business owners in the named areas are reminded to keep their windows and doors open to allow the fog to eliminate the adult mosquitoes inside the home.

Motorists are kindly asked to take caution.

Persons who are suffering from any respiratory illnesses are kindly asked to take the necessary precautionary measures.

Residents are also encouraged to prevent the breeding of mosquitoes in their yard and to protect themselves and their family from mosquito bites during the day, early morning and early evening.
