FOGGING SCHEDULE FOR 16TH – 18TH MARCH 2021

The Ministry of Health, Wellness and the Environment wishes to advise the general public that as part of its mosquito control programme for the adult *Aedes aegypti* mosquito, the Insect Vector Control Unit will be conducting fogging operations in the following areas commencing at **5:00 pm** daily.

Tuesday, 16th March 2021 – Rose Hall, Belmont, Southwood, Fair Hall, Rillian Hill, Hopewell, Sans Souci, Noel & Overland

Wednesday, 17th March 2021 – Troumaca, Diamond, Chauncey, Mesopotamia, Glenside, North Union, London & Sandy Bay

Thursday, 18th March 2021 – Coulls Hill, Stubbs, Penniston No. 8, Mount Pleasant, Majorca, Caruth, Montequé, Farm, North Union, South Union & Sandy Bay

Please take note of the following:

- Home and business owners in the named areas are reminded to keep their windows and doors open to allow the fog to eliminate the adult mosquitoes inside the home.
- Motorists are kindly asked to take caution.
- Persons who are suffering from any respiratory illnesses are kindly asked to take the necessary precautionary measures.
- Residents are also encouraged to prevent the breeding of mosquitoes in their yard and to protect themselves from mosquito bites during the day.
- Please note adverse weather conditions can affect fogging operations.
