## **Public Service Announcement**

Monday, 23<sup>rd</sup> November 2020

Contact: Permanent Secretary  
*Kingstown, St. Vincent and the Grenadines*

### **FOGGING SCHEDULE FOR 23<sup>RD</sup> - 25<sup>TH</sup> NOVEMBER 2020**

The Ministry of Health, Wellness and the Environment wishes to advise the general public that as part of its mosquito control programme for the adult *Aedes aegypti* mosquito, the Insect Vector Control Unit will be conducting fogging operations in the following areas commencing at **5:00 pm** daily.

**Monday, 23<sup>rd</sup> November 2020** - Mesopotamia & Glenside

**Wednesday, 25<sup>th</sup> November 2020** - Riley, Collins, Cane End & Evesham

Please take note of the following:

- Home and business owners in the named areas are reminded to keep their windows and doors open to allow the fog to eliminate the adult mosquitoes inside the home.
- Motorists are kindly asked to take caution.
- Persons who are suffering from any respiratory illnesses are kindly asked to take the necessary precautionary measures.
- Parents and guardians are advised to prevent their children from running or playing near the vehicle during fogging operations.
- Adverse weather conditions could lead to the postponement of fogging operations.
- Residents are also encouraged to prevent the breeding of mosquitoes in their yard and to protect themselves from mosquito bites during the day.
