

## **Post of Chief Executive Officer**

The National Center for Technological Innovation (NCTI) is seeking to recruit a Chief Executive Officer to lead its operations in ICT training and innovation. The ideal candidate must have a proven track record of success in the IT industry, as well as a deep understanding of the latest trends and technologies.

In this role, you will be responsible for overseeing all aspects of the business, including:

- Developing and executing the company's strategic vision
- Managing the day-to-day operations of the business
- Building and maintaining relationships with key stakeholders
- Ensuring the company's financial stability
- Leading the company's growth and expansion

If you are a dynamic and results-oriented leader with a passion for IT innovation and training, we encourage you to apply.

Apply today and join us in shaping the future of IT innovation and training!

Applications should be addressed to:

The Chairman  
Board of Directors  
National Center for Technological innovation  
Sharpe Street  
Kingstown  
St. Vincent and the Grenadines

Application must be submitted with proof of qualification and two (2) references  
Email: [office@svgncti.org](mailto:office@svgncti.org)

Applications must be submitted by January 31, 2024
