### **CANNABLISS FESTIVAL 2025- EVEN BETTER**

Chief Operations Officer of the Medicinal Cannaibis Authority Terral Mapp promises that Cannabliss 2025 will feature More Culture, More Music, More Innovation, More Medicinal Cannabis Products in a bigger venue.”

This year conference sessions will take place at Russell’s Auditorium in Kingstown while the three-day expo and the Grand Reggae Concert on October 4 will be at Victoria Park, Kingstown.

Mapp said that while the MCA is the lead agency, CannaBliss SVG has the full support of the entire Government as multiple state agencies playing a critical role in planning and implementation.

This collaborative support has been instrumental in breaking the stigma associated with Cannabis and is pivotal to the advancement of the local Medicinal Cannabis Industry.

Chief Executive Officer of the St. Vincent and the Grenadines Tourism Authority (SVGTA), Annette Mark, said the SVGTA is thrilled to partner with the MCA to bring the medicinal cannabis community, the general public and visitors together once again for this incredible event.

“Our team has been working diligently to ensure that this year’s festival is filled with something for everyone – whether you are here for the Conference, the Tours, the Expo, the Traditional Cultivator’s Village, the food, the art, the music, or simply to enjoy the vibrant atmosphere, we look forward to welcoming you to St Vincent and the Grenadines,” Marks noted.
