### **Press release**

Dear Editor/ Managing Director,

Since 2004, Vincentian students have been given the opportunity to pursue higher education in Taiwan through the MOFA Taiwan and ICDF Scholarships. This year is no different, with the application period for both scholarships currently open for all aspiring applicants.

In light of this, the Vincentians in Taiwan Association (VITA), in collaboration with The Embassy of SVG, ROC (in Taiwan) and the Embassy of ROC, Taiwan (in SVG), will host an interactive session this Wednesday March 9<sup>th</sup> 2022 to discuss various topics including, but not limited to, guidelines and tips for MOFA Taiwan and ICDF Scholarship application, student life in Taiwan, opportunities for independent study in Taiwan and the available avenues of support while living in Taiwan.

Our aim is to not only encourage persons to apply but to also assure these individuals, that their choice to study in Taiwan is valid.

We are hereby soliciting your assistance in providing/issuing a public service announcement to invite all interested applicants and their families to join our discussion, where they can learn more about pursuing studies in Taiwan, as well as raise any questions or concerns that they may have.

Event name: Chat with VITA

Date and Time: Wednesday March 9<sup>th</sup>, 2022 7:30 pm (SVG time)
