The Ministry of Health, Wellness and the Environment wishes to advise the general public that as part of the its mosquito control programme for the adult *Aedes aegypti* mosquito, the Insect Vector Control Unit will be conducting fogging operations in the following areas on the island of Bequia.

Date	Location	Time
Monday, 16th May 2022	Gelliezeau & Kemise	5:00 pm
Tuesday, 17th May 2022	Derrick Hill & Broad Road	5:00 pm
Wednesday, 18th May 2022	Broad Road & La Pompe	5:00 pm
Thursday, 19th May 2022	Friendship & Lower Bay	5:00 pm
Friday, 20th May 2022	Belmont	5:00 am

Please take note of the following:

- Home and business owners in the named areas are reminded to keep their windows and doors open to allow the fog to take effect.
- Motorists are kindly asked to take caution.
- Persons who are suffering from any respiratory illnesses are kindly asked to take the necessary precautionary measures.
- Residents are also encouraged to prevent the breeding of mosquitoes in their yard and to protect themselves from mosquito bites during the day.

- Members of the public are reminded that the completion of the scheduled fogging activities may be affected by events beyond the control of the Unit. In such circumstances, the Unit will return to the scheduled communities as soon as possible.
