

FOR IMMEDIATE RELEASE

12th April, 2022

PUBLIC SERVICE ANNOUNCEMENT

The National Parks, Rivers and Beaches Authority wishes to notify the general public that the Owia Salt Pond Recreation Park and La Soufriere Cross Country Trail will remain closed over the Easter Weekend.

Site rehabilitation and improvement works are currently underway at the Owia Salt Pond, while the La Soufriere Trail and the volcano itself continue to pose significant danger and the risk of injury to hikers. Therefore, the public is advised to desist from visiting these sites until further notice.

The National Parks, Rivers and Beaches Authority apologizes for any inconvenience caused, and looks forward to your cooperation and support.

Happy Easter to all!

A Public Service Announcement from the National Parks, Rivers and Beaches Authority.
